

Do Well while Doing Good

Thanks to churches and individual investors like you, the Georgia United Methodist Foundation Development Fund provides the funds to build, expand, renovate and refinance United Methodist churches in Georgia.

Your investment in the Development Fund earns interest at a higher rate than most banks offer through CDs or Money Market accounts.

At the same time, your money helps churches stretch their dollars with lower than market rate loans.

It's a win-win for all of us. Churches, entities and individuals in Georgia can purchase a certificate for as little as \$5,000. For more information or to request an Offering Circular, call the Foundation at 770.449.6726 or 877.220.5664 or visit www.gumf.org.

Rates are subject to change without notice. Please call for current rates. This bulletin insert constitutes neither an offer to sell nor a solicitation to buy the securities described. Offers are made only after receiving and reviewing an Offering Circular.
