The Georgia United Methodist Foundation (GUMF) is pleased to announce a special "limited-time offer" – a **2-year certificate with a 2.00% interest rate**.

GUMF's Loan Program is growing! The Foundation supports congregations and organizations with loans for refinancing and new projects. These loans allow Methodists in Georgia to be good stewards of the financial resources entrusted to them by God. When churches, entities, and individuals purchase a GUMF certificate, your investment earns higher returns than similar instruments and enables GUMF to grant loans that elevate and advance the mission of the church.

Rates for 1-, 3-, and 4-year certificates offered by GUMF are shown below. Again, this **2-year certificate with a 2.00% interest rate** is a special offering for a limited time only!*

1-Year = 1.00%
3-Year = 1.30%
4-Year = 1.50%
